Software-Licence-Agreement Published 2007-01-01

1. Subject Matter

Subject of the contract is the computer program, including the run time elements and the data base, the program description and the operating instructions as well as other associated material. Subsequently denoted software. KRONSOFT wants to clarify that it is impossible to assure software runs error-free on every system and with all applications.

2. Scale of Use

KRONSOFT grants you, for the duration of this contract, the right to use the KRONSOFT software on a computer or in a network. Passing the software to others is strictly forbidden.

3. Special Restrictions

The licensee is not allowed, without previous explicit approval by KRONSOFT, to hand the software over to other people or make it accessible to them in any way. Decompiling the software is strictly forbidden.

4. Ownership of Rights

With the acquisition of the software, you only receive the right to use the software. All rights on the software remain with KRONSOFT.

5. Duplication

The software is protected by copyright. Making copies of the software is only permitted for data protection purposes. All backup copies are to be marked with the copyright notice by KRONSOFT.

6. Transferring the Right of Use

Transferring the right to use the software to others is only permitted with the explicit approval of KRONSOFT and only by the conditions of this contract. Any other kind of passing on the software is strictly forbidden.

7. Duration of the Contract

This contract is valid for indefinite time. The right of the licensee expires automatically without notice, if he hurts a condition of this contract. With the ending of the right to use, the licensee is obliged to destroy all material containing the software.

8. Payments / Compensation

All costs, which result from late or incomplete payments from the licensee, are at his expenses. KRONSOFT is entitled to charge a handling fee of 25 euro. Further legal regulations apply.

9. Changes and Updates

KRONSOFT is entitled to provide updates for the software after own discretion. KRONSOFT is not obliged to inform licensees about these updates.

10. KRONSOFT Liability

The legal regulations apply. KRONSOFT does not take over liability for Freeware/Shareware.

11. Other

For all KRONSOFT contracts the area of jurisdiction is OTTWEILER-SAAR / GERMANY. German right applies.

END.
